Guidelines:

1. PharmaWeb Canada customers will receive a credit for each referral that results in the successful order of a new PharmaWeb Canada customer.
2. Referrals must be submitted to PharmaWeb Canada using the Refer-a-Friend form. Verbal referrals will not be considered valid for this promotion.
3. Referrals must include the name and phone number of the referring PharmaWeb Canada customer on the Refer-a-Friend coupon form, and be submitted with the referred customer's Ordering Guide, via fax, mail or email.
4. Referrals will be credited on the PharmaWeb Canada customer's account on their next order or refill following the successful delivery of the referred PharmaWeb Canada customer's order.
5. The referral credit may not be combined with any other promotional offer which rewards the PharmaWeb Canada customer for referring a friend.
6. The offer is not valid if the new customer should cancel the order prior to delivery.
7. This offer may not be applied to previous PharmaWeb Canada orders or refills.
8. The incentive will be credited for each individual referred that orders with PharmaWebCanada.
9. The new referred PharmaWeb Canada client will receive a discount on their first order only.
10. If the new referred PharmaWeb Canada client is ordering for multiple patients in the same household and being shipped to the same address, both the discount and credit will only be applied once.
11. Offer not valid for employees, retailers or affiliates of PharmaWeb Canada, and their respective employees.
